LOADS OF THANKS!

The Highway Department Open House would not be possible if it wasn't for all the hard working volunteers! We can't thank you enough for making this possible year, after year.

Thanks a ton to everyone for making our Annual Open House a success! We would like to say thank you to the following for volunteering and your donations, without your help this event would not be possible: Avery Family Racing, Kim Paradis, Linda Markiewicz, Suzanne McNeil, Ramona Cook, Marcia Gasses, Clan Reilly, Barbara Irvine, Jessica Stephens and Peter Cook.

Thank you to the following businesses for their generous donations for our raffle: George Calef's Fine Foods, Warrens Hardware, Hodgy's Barbershop, Aubuchon Hardware, H.P. Fairfield in Pembroke, Calef's Country Store and Hawkins Safety Equipment.

Fall is upon us have you checked your driveway culvert today?

This is the time of year where culverts become clogged with leaves, gravel and other debris. When culverts become clogged their function is diminished. Blockages cause the water to back up and may eventually lead to overflows, which causes damage to the roadways and your driveway. Driveway culverts are the **homeowner's responsibility**, we would like to take a minute to remind you to clean out your culverts. Check out our driveway culvert maintenance checklist at: http://barrington.nh.gov/Pages/BarringtonNH_Highway/drivewayculvertmain.pdf

Roads closed to thru traffic notifications and up-to-date road conditions will be posted on our website and on our Facebook page.

Department of Public Works—Highway Dept.

Winter is right around the corner!

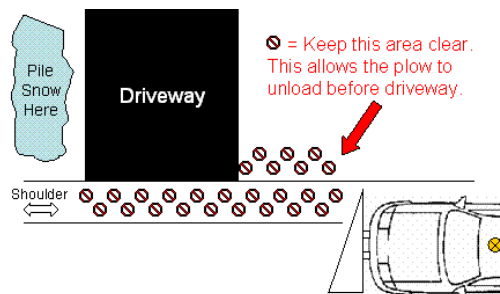

Parking

Please remember that the Town of Barrington has a year round parking ordinance that bans parking on all town roads. Any vehicles obstructing snow and ice removal operations will be towed at the direction of the Barrington Police Department and at the owner's expense.

Placement of Snow

The Town of Barrington has an ordinance against snow being plowed, shoveled, blown or placed onto a Town road or across the road to the opposite side. The Barrington Police Department will do enforcement.

Snow Fort Warning!

Kids love to make snow forts and igloos on top of and inside big piles of snow. It's natural for kids to want to play in the biggest snow pile, because it makes for a bigger fort. But the biggest snow piles are often close to the road, which creates an extreme hazard for children when snowplows are in operation. Please be aware that even after the snow has stopped, snowplows may still be "pushing back" snow to widen travel lanes, and may not see your child if he/she is playing in a snow pile close to the road. So have fun with snow forts and igloos, but well away from the road.

Mailboxes

Mail and newspaper boxes are allowed in the right away at the homeowner's risk. The following are suggestions for resolving the possibility of damage. 1. Mailboxes should, whenever possible be installed a minimum of at least 3 feet from the edge of the pavement. 2. Installation should be sufficiently sturdy to withstand the weight of heavy snow resulting from plowing operations.

The Town of Barrington does not replace mailboxes.

Trash Receptacles

If you have your trash picked up, please make sure that all bins are at least 10-15 feet in your driveway and not on the side of the road during snow removal operations.

Sand

Is available to the residents of Barrington and is located in the Citizens shed outside the Transfer Station gate. Residents are limited to 3 five gallon buckets. Bring your own container and shovel. All ordinances can be found on our website: http://barrington.nh.gov/Pages/BarringtonNH_Highway/index

As always when you see the Highway Department crews out in Town, please show them respect by being patient, slowing down and giving them plenty of room. Sometimes their views and hearing can be impaired by the equipment they are using. Thank you!

Department of Public Works—Transfer Station

**Discovering New England Stone Walls****Wednesday, October 7th****6PM**

Kevin's informal talk covers a few of the main topics of his book about New England stone walls, *The Granite Kiss* (Countryman Press), touching on history, technique, stylistic development, and aesthetics. He explains how and why New England came to acquire its thousands of miles of stone walls, the ways in which they and other dry stone structures were built, how their styles emerged and changed over time and their significance to the famous New England landscape. Other topics may include: differences in approach between historical and contemporary wall-builders, a discussion of restoration tips and techniques, and information about design, acquisition of materials, preservation, and analysis. There is always a generous question-and-answer period, during which listeners are encouraged to bring up specific problems or projects on their own properties.

Program paid for by a grant from the New Hampshire Humanities Council. This speaker is part of the New Hampshire Humanities Council "Humanities to Go" Program. This program paid for by a grant from the NHHC.

Slideshow on the Nepal Chronicles:**Marriage, Mountains and Momos in the Highest Place on Earth****Thursday, October 8th****5:30 PM - 7:00 PM**

Nepal has been in the news a lot lately, sadly most of that news is bad. The *Nepal Chronicles: Marriage, Mountains and Momos in the Highest Place on Earth*, details the author's journey to Nepal to get married and then take a honeymoon trek to Everest Base Camp. They trekked unguided and un-portered, and spent four months living in Sherpa homes and tea house. Given the recent events in Nepal, this presentation has become something more than a slide show of Kathmandu and the Himalayas.

**Learn to Paint Russian Folk Toys:****Storytelling and hands-on workshop with Russian Artist Marina Forbes****Saturday, October 10th****11am-2pm**

To stimulate creativity and imagination we will examine a beautiful collection of traditional Russian toy arts and crafts. Then, in the hands-on part of the program, students will paint an authentic Russian wooden toy or a piece of applied art, choosing from a variety of options. Throughout the workshop, students will be listening to traditional Russian music.

There is a materials fee for anyone participating in the hands-on component of the program. This fee (from \$13 to \$17) covers the cost of a wooden shape and the use of paints and brushes for the duration of the workshop.

This unique cultural program is designed for adults, teens and families with children 6 and older. Registration Required due to limited space in the library meeting room. 20 participant maximum. Register online at www.barringtonlibrary.com through the online calendar, or, call the library at 664-9715 and staff can register you. Barrington residents/cardholders only.

The instructor fee for Marina Forbes has generously been donated by the Friends of the Barrington Public Library. Materials fees must be paid by participants the day of the event in cash or check **ONLY**. There is a small fund set aside for assistance for those with documented financial hardship. Please speak to Amy Inglis 664-0193 if you need this assistance.

Loon Art Display

Photographs by the Loon Man, John Rockwood

Mr. Rockwood has had numerous photos published in Birds & Blooms and Natural New England Magazines. The March 2009 issue of Birds & Blooms Extra contains his photos in his wife Sue's article "Nesting in Harmony" about great horned owls nesting in great blue heron rookeries. The November 2008 issue of Birds & Blooms Extra contains his photos in his wife Sue's article "A Date with an Egret". The September 2008 issue of Birds & Blooms Extra contains an excerpt of his book (Available April 2009) "Adventures with

Grapenut" about a Loon Chick, John chronicled during the 2007 season. His "Loon Pair" photo was published in The Best of Birds and Bloom 2007 book. John also won the 2004 Auburn, NH Photo contest with his favorite picture, "Nesting Loon". John currently presents at Audubon Centers, the Loon Center, Nature Centers,

libraries, assisted living and retirement communities, schools and is available for other venues as well in New England.

Just Planned: Quilting Class

Description: Have you ever admired a quilt and wondered if you could do that, too? This class will help get your creative juices flowing! This is not meant to be a beginning sewing class. **It is expected that you have a machine to bring to each class, and that you know how to use it. Please make sure your needle is sharp and new, and that you have a spare needle in case one breaks. What fabrics and supplies you will need for class #2 and #3 will be discussed during class one.**

Participants are asked to arrive at least 15 minutes early to set up your machines so class can BEGIN at 5PM. Signing up for this course means you intend to be at each class.

Class One (October 29th) 5-7PM: Sewing instruction—seam allowance, ironing techniques, nesting pieces, etc. Then, the class will put a fun baby quilt together to practice those skills. This quilt will be finished by the instructor outside of class and then donated to be used as a fundraiser for the library. Fabric provided; monetary donations towards this project will be gladly accepted, but not required.

Class Two (Nov. 5th) 5-7PM: Learn to use a rotary cutter and a “sew-as-you-go” technique that is surprisingly easy. You will use your imagination for this second class to make your own table runner. You will need to bring thread, scissors, ½ yard of a main fabric, and 1/3 yard of two other fabrics that go with the main fabric. Some interfacing and ½ yard of a backing fabric. There are a lot of holidays coming in the next few months and you will find this a useful and beautiful way to let your creativity shine through.

Class Three (Nov. 12th) 5-7PM: You will continue working on your table runner, or, if finished, may try your hand at another runner with a different pattern.

Your volunteer instructor will be Pat Gingrich...an accomplished quilter, and Barrington resident, who has many years of experience to share with those just starting the journey of quilting.

Barrington residents will get first priority for registration; if the class does not fill, we will take out of town registrations beginning October 23rd.

**Adult Paint Class****Thursday, December 3rd at 4:30PM.**

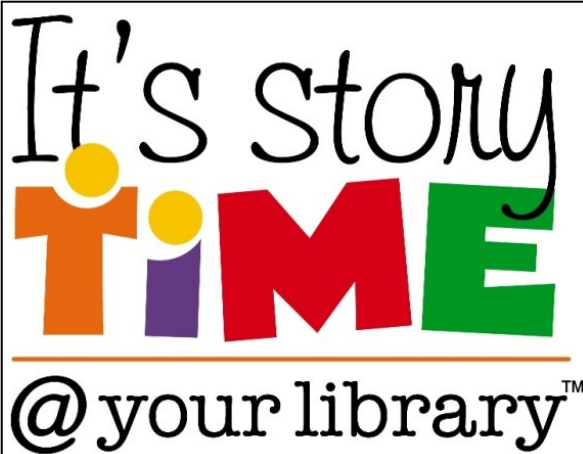

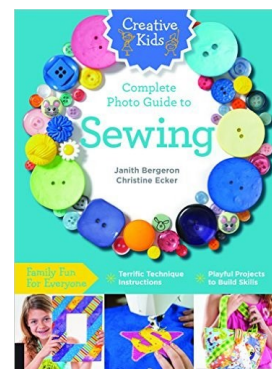

Learn how to paint a lovely winter scene; all supplies provided.

Registration Begins on Nov. 5th.**Sewing Class & Book Signing for Ages 7-13****Saturday, December 5th****10:30am-12pm**

Students will learn basic sewing techniques to create a lovely felt snowman bookmark with buttons and ribbon! Janith Bergeron, co-author of the new book, "Creative Kids Complete Photo Guide to Sewing: Family Fun for Everyone - Terrific Technique Instructions - Playful Projects to Build Skills", will be your teacher!

Janith will also have her books here to sell and sign. This is a great opportunity to expose children to the basics of sewing with a fun project that they can take home and enjoy, or, give as a holiday present.

Limit of 15 students due to room space. Please register.

Lap-Sit Story Time for 1-3 year olds with an adult will be held on Mondays, Tuesdays, and Fridays at 10:30am.

Children and their caregivers will enjoy stories, songs, rhymes, and a variety of activities. Please choose which day of the week you would like to attend, register and you have that spot saved in this 10-week session! Registration begins December 21st

Lap-Sit will begin the week of January 4th 2016

Preschool Story Time for independent 4-6 year olds will be held on Thursdays at 11am.

Children will enjoy a couple stories with a related craft.

Registration begins December 21st.

Lap-Sit will begin the week of January 4th 2016

Barrington Conservation Commission & Trails Committee Sponsor **SATWaSR Rt.125 Parking Lot Work Day!**

**"Barrington Volunteers Add to 'Environmental Consciousness'
With Their Work on SATWaSR Rt.125 Parking Lot!"**

The Town of Barrington is now well known in Environmental circles for its "Environmental Consciousness" and its organized well attended hikes on public lands throughout the town during the past several years. One such property, the 1,400 acre Samuel A. Tamposi Watershed Reserve known as SATWaSR, has been well traveled in both regards. SATWaSR is owned by the Town of Barrington and is protected by a conservation easement held by the Society for the Protection of New Hampshire Forests.

This summer a very special hike and educational experience was enjoyed by many on a recently partially cleared section of SATWaSR off of Rt. 125 for the creation of habitat to protect a species in peril, the New England Cottontail Rabbit, in the area which is now called "Rabbitat!" A newly constructed logging road into the Rabbitat area and its associated parking lot off of Rt.125 at the Lee / Barrington town line was, and still is, in need of some extra "tender loving care" in order to accommodate its many visitors. On the fine summer morning of August 22, seven hearty Barrington volunteers happily came to the rescue and began their special SATWaSR Rt.125 Parking Lot Work Day Project by pulling up protruding roots and rocks in the parking area then raking the ground smooth in readiness for the spreading of grass seed to be then covered with hay. Mother Nature's much awaited rains came the very next day to give that final much needed touch towards a new covering of green for that very special SATWaSR parking lot!

What does such an outpouring of both Human and Nature's energy beget in addition to the satisfactory completion of its tasks? The answers are several for not only is that parking area now newly expanded for more SATWaSR visitors to use but the volunteers themselves also benefited by getting to know one another as they worked together towards a common goal. Without the willingness of these few to give of their energies, the goal of an expanded parking lot itself never would have come into fulfillment. It is easy to see how one's energy and enthusiasm as a volunteer is multiplied many times over to benefit the many!

The application of similar volunteer energy in the future can thus be utilized to improve the access to and use of many public lands in Barrington! Maybe we will see you there with us when the future call for help is sent out?

SATWaSR is open to the public for passive recreational activities and hunting. For more information see the Barrington Conservation Commission's web site at <http://barringtonconcom.org/>.
